WINDOWS

6 styles — single hung, double hung, slider, picture, casement & awning

WINDOWS

IMPACT-RATED AVAILABLE

SINGLE HUNG WINDOW

The most popular window style in Florida. The lower sash slides up for ventilation while the upper sash stays fixed — simple, reliable, and easy to clean.

KEY FEATURES

- Lower sash tilts in for easy cleaning
- Energy-efficient Low-E glass
- Available in standard & impact-rated
- Multiple frame colors

Ready to get a quote on this product?

Call 813-614-4930 · titanhome-exterior.com/contact · \$0 Estimates

WINDOWS

IMPACT-RATED AVAILABLE

DOUBLE HUNG WINDOW

Both sashes slide up and down independently, giving you maximum ventilation control. Both sashes tilt in for effortless cleaning from inside your home.

KEY FEATURES

- Both sashes tilt in for cleaning
- Top & bottom ventilation control
- Available in standard & impact-rated
- Ideal for two-story homes

Ready to get a quote on this product?

Call 813-614-4930 · titanhome-exterior.com/contact · \$0 Estimates

WINDOWS

IMPACT-RATED AVAILABLE

SLIDER WINDOW

Horizontal sliding sashes glide left and right on a smooth track. A great choice for wide openings where vertical clearance is limited.

KEY FEATURES

- Smooth gliding operation
- Wide panoramic views
- Available in 2-lite & 3-lite
- Impact-rated options available

Ready to get a quote on this product?

Call 813-614-4930 · titanhome-exterior.com/contact · \$0 Estimates

WINDOWS

IMPACT-RATED AVAILABLE

PICTURE WINDOW

A fixed, non-opening window designed to frame your view like a picture. Maximizes natural light and provides an unobstructed sightline.

KEY FEATURES

- Maximum natural light
- No moving parts — zero air infiltration
- Custom sizes available
- Pairs well with casement or awning windows

Ready to get a quote on this product?

Call 813-614-4930 · titanhome-exterior.com/contact · \$0 Estimates

WINDOWS

IMPACT-RATED AVAILABLE

CASEMENT WINDOW

Hinged on the side and cranked open outward, casement windows provide excellent ventilation and a tight seal when closed.

KEY FEATURES

- Crank-operated for easy use
- Full-sash ventilation
- Excellent energy performance
- Impact-rated options available

WINDOWS

IMPACT-RATED AVAILABLE

AWNING WINDOW

Hinged at the top and opens outward from the bottom, creating an awning effect. Lets in fresh air even during light rain.

KEY FEATURES

- Opens during light rain
- Hinged at top for security
- Great for bathrooms & kitchens
- Impact-rated options available

SLIDING GLASS DOORS

3 options — standard white, impact-rated & black frame

SLIDING GLASS DOORS

IMPACT-RATED AVAILABLE

STANDARD WHITE FRAME SGD

Classic white-frame sliding glass door — the most popular patio door choice in Florida. Smooth gliding operation and energy-efficient glass.

KEY FEATURES

- White vinyl frame
- Energy-efficient Low-E glass
- Multi-point locking system
- Available in 6', 8', 9', 10', 12' widths

SLIDING GLASS DOORS

IMPACT-RATED AVAILABLE

IMPACT-RATED SGD

Hurricane-rated sliding glass door built to Florida's HVHZ standards. Laminated impact glass eliminates the need for shutters.

KEY FEATURES

- HVHZ / Miami-Dade approved
- Laminated impact glass
- No shutters needed
- Insurance discount eligible

SLIDING GLASS DOORS

IMPACT-RATED AVAILABLE

BLACK FRAME SGD

Modern matte-black frame sliding glass door for a bold, contemporary look. Pairs beautifully with modern and transitional home styles.

KEY FEATURES

- Matte black aluminum frame
- Contemporary design
- Impact-rated available
- Pairs with black window packages

ENTRY DOORS

5 styles — single, double, French, steel & fiberglass

ENTRY DOORS

IMPACT-RATED AVAILABLE

SINGLE ENTRY DOOR

A classic single-panel entry door — the most common front door replacement. Available in steel and fiberglass with dozens of style options.

KEY FEATURES

- Steel or fiberglass options
- Dozens of glass insert styles
- Custom paint & stain finishes
- Impact-rated available

Ready to get a quote on this product?

ENTRY DOORS

IMPACT-RATED AVAILABLE

DOUBLE ENTRY DOOR

Make a grand statement with a double entry door. Two full-panel doors create a wide, welcoming entrance.

KEY FEATURES

- Wide, dramatic entrance
- Matching panel design
- Active & inactive panel
- Impact-rated available

ENTRY DOORS

IMPACT-RATED AVAILABLE

FRENCH DOOR

Elegant full-glass French doors bring light and style to any entryway or interior passage. Both panels swing open for a wide, airy opening.

KEY FEATURES

- Full-glass or divided-lite panels
- Both panels operable
- Interior & exterior use
- Impact-rated available

ENTRY DOORS

STEEL ENTRY DOOR

Steel doors offer superior security and dent resistance at an affordable price point. Factory-primed and ready to paint any color.

KEY FEATURES

- Superior security & strength
- Dent-resistant steel skin
- Factory-primed for any paint color
- Energy-efficient foam core

ENTRY DOORS

FIBERGLASS ENTRY DOOR

Fiberglass doors mimic the look of real wood grain without the warping, rotting, or swelling that plagues wood doors in Florida's humidity.

KEY FEATURES

- Wood-grain texture options
- Won't warp, rot, or swell
- Can be stained or painted
- Best for Florida's climate

SIDING

2 profiles — lap board & board and batten

SIDING

LAP BOARD SIDING

Horizontal lap siding is the most traditional and widely used exterior cladding style. Overlapping boards shed water naturally.

KEY FEATURES

- Classic horizontal profile
- Natural water-shedding design
- Available in multiple widths
- Dozens of color options

Ready to get a quote on this product?

Call 813-614-4930 · titanhome-exteriors.com/contact · \$0 Estimates

SIDING

BOARD & BATTEN SIDING

Vertical board and batten siding creates a bold, modern farmhouse aesthetic. Wide boards alternate with narrow battens for a striking dimensional look.

KEY FEATURES

- Modern farmhouse aesthetic
- Vertical profile adds height
- Bold dimensional shadow lines
- Pairs with lap siding accents
