YOUR PROJECT ROADMAP

WHAT HAPPENS NEXT — STEP BY STEP

HERE IS EXACTLY WHAT TO EXPECT FROM YOUR TITAN PROJECT

01

FINAL MEASUREMENTS

Precision fit — guaranteed

A Titan technician visits your home to take final precision measurements, ensuring every window and door is manufactured to fit perfectly — no gaps, no surprises.

02

INTO PRODUCTION

Your order enters the factory

Once measurements are confirmed, your products go into production with our trusted manufacturing partners using premium materials built to Florida's strict codes.

03

ETA UPDATE

We keep you in the loop

As soon as we receive your estimated completion timeline from the manufacturer, we contact you directly. You'll always know where your project stands.

04

MATERIALS ARRIVAL

Everything checked before we call

When your products arrive at our facility, we inspect every piece for quality. Once everything passes, we call you to schedule installation at your convenience.

05

INSTALLATION DAY

Professional crew, clean work

Our licensed team arrives on time, works efficiently, and treats your home with respect. After installation, we schedule your permit inspection with the county.

06

FINAL TOUCHES & SIGN-OFF

We don't leave until it's perfect

After inspection passes, we install caps and covers, remove all stickers, clean every pane, and do a final walkthrough with you. Your satisfaction is our sign-off.
